

Boatyard Moorings

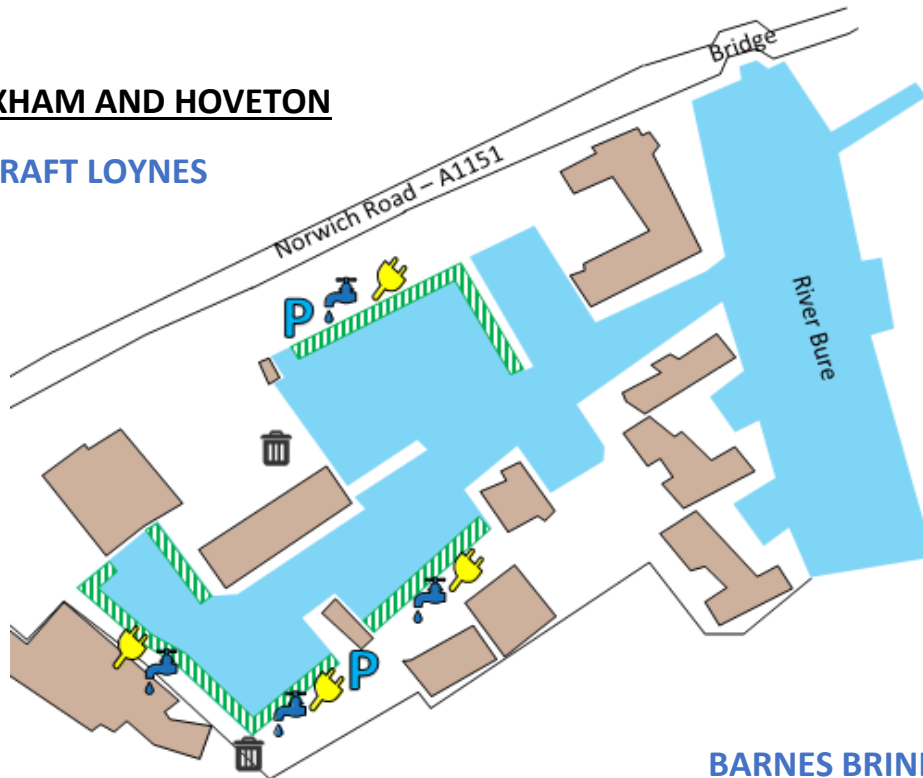

This Logo means that the boatyard where it is displayed is a member of the Broads hire operators' trade association, affiliated to British Marine, and operating in accordance with the nationally approved code for the Design, Construction and Operation of Hire Boats.

The Members featured on the following pages offer free moorings for visiting members boats, but always subject to the availability of space for boats due to return to that yard for turnaround. Where telephone numbers are given, please check availability of mooring space in advance.
