

A serene sunset scene over a body of water. The sun is low on the horizon, creating a bright glow and a shimmering reflection on the water. Numerous swans are silhouetted against the water, some swimming and others standing on the shore. In the background, several boats are visible, also silhouetted against the sunset. The sky is filled with soft, wispy clouds. The overall mood is peaceful and tranquil.

Boating & Riverside Holidays
from Horning Norfolk

2019
Brochure
2018

Welcome to Ferry Marina

We've had a great time meeting everyone this season and helping you all have your perfect Norfolk Broads holiday.

Our faithful team of engineers and boatbuilders will be busy this winter preparing another new boat ready to join our fleet early in the new season. The new cruiser follows on from Tranquil and will feature our unique galley in the bows, along with three cabins. We will be keeping you up to date on our Facebook page.

An old favourite has returned to our catalogue - Reedlings Cottage is back and ready to welcome you. The property sleeps 7 and overlooks the main river from an elevated spot.

So if you're looking for a Norfolk Broads holiday give our friendly team a call.

Best wishes,

Lisa and the Ferry Marina team

Why choose Ferry Marina?

- We are passionate about ensuring your holiday is the best it can be.
- We take the time to show you the ropes and make sure you're comfortable with your cruiser before departure. If you need us at any time, you can call us.
- We are happy to answer any and all questions. We have lots of local knowledge to help you get the best from your trip.

Payment Plan

- Spread the cost of your holiday. Ask our staff when you book for more info.

Why The Broads?

- Quiet. Peaceful. Nature.
- The Broads are somewhere you can still come to get away from the rush of modern life. Drop the mudweight in the middle of Barton Broad and you can truly switch off.
- Did you know the Broads are in fact largely man-made from extensive historic peat diggings, joining the natural river network together?
- The Broads are now a haven of nature; with many species of birds, insects and mammals to look out for. The Broads are home to more than a quarter of the rarest wildlife in the UK.
- You are free to choose which direction you head off in and how long you spend taking in the sights. Don't worry about locks - there are none.

ALL INCLUSIVE pricing

Our clear and simple pricing means you don't have to worry about hidden extras. Here are a few more benefits to our all inclusive pricing:

- No asking you for more money on check in
- No waiting in a queue for your fuel refund
- No extra person charge when Aunt Carol decides to join you

Think of the great meals out you could enjoy while saving yourself all those cheeky extras other yards will charge you.

Your total saving could be up to	£327
• Fuel deposit	£150
• Propeller insurance	£10
• Damage Waiver	£50
• Parking (per car)	£15
• Extra person (per person)	£35
• Cancellation protection	£67

Where will your holiday take you?

Without set routes or locks, you are free to travel as little or as much as you like.

With our handy route guide you can plan your visit, or you can take each day as it comes.

From the tourist town of Great Yarmouth to the historic city of Norwich and the small villages in between, there are always plenty of places to stop.

Highly recommended is the quaint market town of Beccles on the River Waveney. You will find antique shops, restaurants and pubs, there is even a lido if you fancy a dip.

Travel through Ludham bridge, up the windy reaches of the River Ant, and the vast expanse of Barton Broad will appear from between the trees. From here you can visit Sutton, Stalham or Neatishead.

If you want to visit Norwich, but don't fancy the journey by boat, take the train from Wroxham or Acle. Well worth the trip for the shopping, quality restaurants and some beautiful architecture.

Journey times from Ferry Marina

Booking details

Arrival and departure

Our properties are ready at 4pm on arrival day with a 10am departure on the final day.

Our boats are ready between 2pm and 4pm on the arrival day. They are all due back by 9am on departure day.

Security deposits

We take a security deposit for all our properties on arrival. We usually ask to place a shadow payment on a card for this. Please talk to us if you require further details.

Smoking policy

We have a strict no smoking policy in all our houses and boats.

Medical equipment

Any medical equipment is strictly the customers responsibility at all times, Ferry Marina takes no responsibility for the use of medical equipment in the event of power loss.

Pets

We allow pets in Cygnet and Kestrel Cottage, as well as certain boats. We do charge a small fee of £35 per pet to cover additional cleaning costs.

Mobile phones and wifi

Reception is famously poor in some locations and non-existent in others, so prepare yourself for a tech free time. WiFi services may be available, but don't rely on always having it, as we are in a rural location.

Waterside location

All our houses are next to water, either in the marina or on the main river, this means you need to take extra care of children. The properties are not fenced off from the water.

Barbecues

Our properties don't have a suitable location for a barbecue.

Pumpouts and water

If you are passing us it's free to fill up and pumpout, but at other yards there is a charge which is payable directly. You will need to fill up water every day and normally pumpout once during a week break.

Bikes

Please do not bring your bikes on our boats. There is no room for storage on board.
